OSAMA

Do people really think this is true? It's a really old and boring stereotype. I love doing all kinds of things: from playing football to reading books about history. My brother is only 13 and he's the same. When my parents put on the TV we usually want to watch the same things.

MARIAM

This isn't true! I play sports at school twice a week. I get up at eight on Saturdays and I play volleyball in a team. I usually cycle to school and when I go out, I hardly ever eat fast food. Of course, some teenagers stay in all the time and their only hobby is TV or computer games.
